

Lube-Station P200-4

for 200 lt drums

Art.-No. 954010.LUBE

Description

Lube-Station P200-4 - Oil pump system stationary for 200 l oil drums with 4 m pressure hose Pump unit
Lube-Station P200-4 oil pump 1:3, 4 m pressure hose DN12, steel suction pipe 200 l barrel with foot valve,
with calibratable system with air measuring prevention unit.

Technical Data

for 200 lt drums

The information in this technical data sheet is based on general knowledge and possible applications. Strub + Co. AG is not liable for damage resulting from improper use of the products. The measurement and production tolerances customary in the industry apply to the characteristic data given. In general, no legal binding force can be derived from these data. Our products are subject to continuous further development. Therefore, Strub + Co. AG reserves the right to change all technical data in this data sheet at any time and without prior notice.
