

Lube Shuttle TG Grease Gun

R1/8", with RH30 hose and 4-jaw hydraulic mouthpiece

Art.-No. 945400

Description

Made of galvanized steel grease tank, ergonomically shaped leverage, packed in neutral cardboard box
Pressure output up to well over 300 bar.

Advantages

- opening of the cartridge without tools
- simple, fast and absolutely clean loading and removal of the grease cartridge, without opening the press
- permanent control of filling level and grease type from the outside
- optimal residual emptying of the cartridges, absolutely environmentally friendly
- economical refilling possible with grease gun filler and LubeShuttle® refill adapter (Art. 31 150 50)
- no venting necessary

Technical Data

pressure: >300 bar

Weight: 1.062 KG
