

## Hopper 2 l / 5 l with safety lid

Art.-Nr. 951123.2L

Art.-Nr. 951123.5L

---

### Description

For cleaning, degreasing and rusting with flammable or toxic liquids. If the liquid ignites, the fuse provided to hold the lid open melts, triggering the closing mechanism. As soon as the lid is closed, it remains under pressure, which prevents the toxic vapors from escaping.

The information in this technical data sheet is based on general knowledge and possible applications. Strub + Co. AG is not liable for damage resulting from improper use of the products. The measurement and production tolerances customary in the industry apply to the characteristic data given. In general, no legal binding force can be derived from these data. Our products are subject to continuous further development. Therefore, Strub + Co. AG reserves the right to change all technical data in this data sheet at any time and without prior notice.
