

STRUB Speedy Grease System

grease gun

Art.-Nr. 950555

Description

Complete set in a practical box with overrunning cuffs and adapter for Lube-Shuttle cartridges. The STRUB Speedy Grease System is suitable for grease cartridges. This can be either a DIN or a screw-in grease cartridge. As the grease cartridge is always visible, you know which grease you have in your grease gun and as the grease cartridge is sealed by the seal, you can store the grease in the grease gun!

Technical data

- works with vacuum
- High pressure build-up due to long lever (up to 800 bar)
- extra strong magnet for 1-hand operation
