

STRUB Chainsaw oil 2000

Universal chain oil for all chainsaws

Art.-No. 30259

Description

STRUB Chainsaw Oil 2000 is a highly developed product for chainsaws of all makes. Due to specially selected additive combinations and an increased viscosity compared to the standard qualities, excellent adhesion with very good temperature behavior and good lubricating properties are achieved.

Application

The use of high-quality wear protection additives increases the service life of the chains. This product is neutral towards sealing materials, plastics and paints.

Features and advantages

- high adhesion
- reduced wear
- reliable corrosion protection
- good temperature behavior, even at low temperatures
- neutral towards sealing materials / plastics
- very good cooling effect
- prolongs the service life of the chainsaws
