

STRUB Vulcomet Protection 8091 BF

Concentrate for solvent systems, VOC-free

Art.-No. 30216

Description

Solvent and barium-free anti-corrosion oil with oily, well-adhering film for optimum protection that is non-sticky and has water-displacing properties.

Application

The product can be applied undiluted as corrosion protection oil by dipping or spraying. STRUB Vulcomet Protection provides protection of small parts, chains, sheets, tubes, machine parts during the manufacturing processes, e.g. intermediate storage or also protection of parts ready for shipment. The product can also be used as an additive for per- plants: Protection time inside 4- 6 wks (3 %); protection time inside 3 months (approx. 12-15 %). In cleaning and preservation plants operated with dearomatized hydrocarbons.

Features and advantages

- free from heavy metals, such as barium
- VOC-free
- forms an oily resistant protective film
- works absolutely reliable
- water that enters the bath immediately drops to the bottom of the tank, from where it can be drained off separately if necessary
- does not attack machine paints

Technical data

Density at 20°C	g/ml	0.854
Flash point	°C	> 165
Viscosity at 40°C	mm ² /s	12
Staining on steel and non-ferrous metals		none
Film type		oily
Film thickness	µm	2-3
Protection time at:		
- Indoor storage (undiluted)		ca. 12
- outdoor storage	Months	ca. 3
MIL-C-16173E + MIL-C-22235	Months	Pass

Transport

ADR/SDR No dangerous goods

Disposal

LVA VeVA / EAK 13 02 08
