

STRUB Mirratol 490

Mixer and vehicle protection

Art.-No. 32105

Description

Particularly suitable for truck mixers, site mixers, loading bridges, superstructures, skips, equipment, tools. STRUB Mirratol 490 is ready for use, not water soluble, solvent free and economical in consumption. Apply evenly and sparingly to the parts to be protected by sprayer.

Wash down adhering concrete with high pressure cleaner or hard water jet. Apply mixer protection after drying, gives the best protection.

Features and advantages

Solvent-free, water-light special oil with very good physical and chemical release properties, ready for use and not sensitive to cold. Does not attack metals and plastics. Very good corrosion protection. Does not form resinification or sticky residues. STRUB Mirratol 490 can also be used as a stain-free formwork oil for metal, plastic and wooden formwork.

- VOC solvent-free
- ready for use, universally applicable
- not water soluble
- pleasant odor, lime scent
- heavy metal free
- 30 m² 40 m²/liter

Technical data

Color		hell gelblich
Density at 20°C		0.84
Flash point	°C	160
Pour point	°C	< - 20
Viscosity at 20°C	mm²/s	18
Viscosity at 40°C	mm²/s	9.4

Storage

Do not store below -10°C

Transport

ADR/SDR No dangerous goods

Disposal

LVA VeVA / EAK: 13 01 07

The information in this technical data sheet is based on general knowledge and application possibilities. STRUB + Co. AG is not liable for damage resulting from improper use of the products. The industry-standard measurement and production tolerances apply to the specified characteristic. Generally, no legal binding can be derived from these data. Our products are subject to continuous further development. Therefore, STRUB + Co. AG reserves the right to change all technical data in this data sheet at any time and without prior notice.
