

STRUB Mirratol 550

Biodegradable, water-based vehicle and mixer protector

Art.-No. 30805

Description

STRUB Mirratol 550 is a specially developed release agent to prevent concrete from sticking to mixing plants, vehicles, also inside walls, mixer shovels and superstructures, rear arms. No reaction time is necessary. The protection is present immediately after application! The metal surfaces can be brought into contact with concrete immediately.

Application

Environmentally friendly, water-based vehicle and mixer protection. Apply STRUB Mirratol 550 sparingly and evenly, undiluted to dry and preferably clean surfaces.

Features and advantages

- biodegradable OECD 301B: > 80% •
- no stains on surfaces •
- very good corrosion protection •
- no contact time, low consumption •
- double separating effect, chemical and physical •
- applicable up to outside temperatures of - 10°C

Storage conditions

Do not store below - 5°C. The product must be used within 6 months after receipt.

Comments:

*Dispersions, emulsions and suspensions may exhibit slight inhomogeneity and must therefore be stirred before removal or use from the container.

Technical data

Color and delivery form	g/cm³	light yellow, aqueous emulsion*
Density at 20°C	°C	1.010 - 1.020
Boiling range		ca. 100

Transport

ADR/SDR	No dangerous goods

Disposal

•	
LVA VeVA / EAK:	13 02 08
