

STRUB Profitto Synt Longlife IV 0W/20

High performance fuel-efficient engine oil

Art. No. 32976

Description

STRUB Profitto Synt Longlife IV 0W/20 is a high-performance special engine oil, exclusively for the highly efficient VW engines. The smooth-running viscosity reduces friction in the engine and ensures more engine power and lower fuel consumption as well as reduced CO2 emissions.

Application

STRUB Profitto Synt Longlife IV 0W/20 specially developed to meet the requirements of VW vehicles in various models, which require an oil according to the specifications VW 508.00 and 509.00. The product is miscible and compatible with conventional engine oils.

Features and advantages

- fuel-saving low-viscosity oil
- significantly reduced fuel consumption of more than 4%
- reduced Co2 emissions
- guarantees lowest wear and maximum engine performance
- maximum engine protection over longer operating intervals
- optimal corrosion protection
- enables extended oil change intervals
