

STRUB Insect remover

Insect remover

Art.-No. 30500

Description

Strub Insect Remover cleans powerfully and ensures streak-free cleanliness.

Strub Insect Remover removes grease, nicotine, soot, oil and insect residues as well as dirt deposits, especially on smooth surfaces such as car and window panes, frames, mirrors, glass tables, TV sets, PC screens, washbasins, tiles, stove hoods, gas and electric stoves, kitchen appliances, furniture, generally plastic surfaces, doors and much more.

Application

Insect remover is a ready-to-use cleaning liquid. Spray on evenly and undiluted. Then wipe the surface with a dry, clean, lint-free cloth. Done!

Recommendation for smaller surfaces first spray the cleaner on a cloth. For heavier soiling, you should leave the insect remover to act for a short time. It is important that the cleaner does not dry on! On painted or solvent-sensitive surfaces, use only diluted with water.

Safety note

In general, keep cleaning agents out of the reach of children.

Transport

ADR/SDR No dangerous goods

Disposal
