# **STRUB** Tire care

Intensive care with color refreshing

SS TRIBOLOG

Art.-No. 30895

## Description

STRUB tire care is suitable for all types of tires and brings back the true black tone. Long-lasting intensive care with color refreshing for tires. Can be applied easily and quickly by means of spray bottle.

### Application

Spray directly onto the tires and allow to dry. STRUB Tire Care must be allowed to air dry, thus creating the long-lasting shine. Repeat the process for a stronger shine. Wipe off drops on rims with a little soapy water and a cloth. Before driving off, the tire must be dry, otherwise dirt particles will collect on it. Use STRUB tire care in concentrated form. In case of heavily weathered tires or tires faded by UV rays, repeat application several times. The product is suitable for all tires.

### Note

Spray as little mist as possible on the brakes. Important: Check the brakes before driving.

#### Transport ADR/SDR

No dangerous goods

#### Disposal

LVA VeVA / EAK: 14 06 03
