

Strubi Insect cleaner

Insect remover

Art.-No. 33034

Description

Insect remover cleans powerfully and provides streak-free cleanliness.

The active protection protects better against new soiling. Insect remover is a cleaning agent against grease, nicotine, soot, oil, insect residues and dirt deposits, especially on glass and all smooth surfaces such as: Window panes and frames, mirrors, glass tables, TV sets, PC screens, sinks, tiles, stove hoods, gas and electric stoves, kitchen appliances and furniture, plastic surfaces, doors and car windows. On painted or solvent-sensitive surfaces, the product may only be used in diluted form with water.

Application

Insect remover is a ready-to-use cleaning liquid. Spray on undiluted evenly. Then wipe the surface with a dry clean cloth. Done! For smaller surfaces, it is advisable to first spray the cleaner onto a cloth and rub the piece with it. For heavier stains, you should leave the insect remover to work for a short time. It is important that the cleaner does not dry on!

Safety note

In general, keep cleaning agents out of the reach of children.

Transport

ADR/SDR No dangerous goods
