

# STRUB Triclean Spray

Degreaser, brake cleaner, VOC 343.33g

Art.-No. 30689

---

## Description

STRUB Triclean Spray is a colorless mixture of solvents of different polarity. It is very suitable for degreasing, as well as a cleaning agent for all metals and excellent used as a brake cleaner. The increased aerosol pressure infiltrates, sprays, cleans even physically persistent particles.

STRUB Triclean Spray removes brake dust, dirt, oil and gasoline residues, resins and soot deposits, as well as all common contaminants on machines and their parts.

## Application

Apply STRUB Triclean Spray to the contaminated metal surface, allow to act and wipe off dirt after a short exposure time.

Use the cleaning spray only in well-ventilated workplaces, keep away from sources of ignition, do not smoke and wear solvent-resistant gloves.

## Features and advantages

- STRUB Triclean Spray can be used on all metals
- very suitable as carburetor and brake cleaner

## Technical data

Density at 20°C	0.717 g/ml
Flash point °C	- 60

## Packing

12 x 500 ml aerosol cans with environmentally friendly propellant gas.

## Transport

UN-Code 1950

## Disposal

LVA VeVA / EAK 15 01 04 / 15 01 10

## Levies

VOC subject to 100%
